HIGH GIN AND CHEESE MENU

Gourmet Green Cocktail

Served on a tower & designed for two guests

Tanqueray gin, chartreus, lime
juice, Monin agave

Our Story

Our High Gin and Cheese tower features three tiers of delicious cheeses, including warm baked brie with Jarrah honey, cheesy jalapeño poppers, and artisanal cheeses with mini cheesecakes.

Accompanying it is the Cocktail Tower, made with Tanqueray gin, chartreuse, lime juice, and Monin agave, which pairs well with the cheese.

The rooftop bar atmosphere is lively, making for an unforgettable gourmet experience.
